

## *Chisholm Ski Club*

PO BOX 616  
RUMFORD, ME 04276

Greeting from the Chisholm Ski Club,

One week from today, we will be hosting the Class A Nordic MPA Championships and we are very much looking forward to it. Looking ahead, we are in for another warm spell but we are in good shape and are expecting great racing. Snow has been made in the Stadium and the trails have good coverage.

The MPA has posted the schedule and our course will be set up for training by Wednesday. Tickets can be purchased at the ticket window in the base lodge.

If you have not reserved your wax room, do so as soon as you can before they sell out. As for tailgating, we love seeing the spirit it brings. Remember, no tailgating is allowed in the base lodge or on either side of it. For those of you in the lodge, this is vacation week and should be very busy. We ask that you store all your gear in the cubbies. The staff will move any unattended gear from the floor or tables and place them in available cubbies. Please help us in making this a great experience by sharing this information with your athletes and parents.

Coaches, results will be posted in three locations right after each event. You can find them in the old base lodge main floor bulletin board, north end of the Race Headquarters and the south end of the Nordic timing building next to the monitor.

Pursuit start race has new rules this year and information should be out to you soon and it will be discussed again at the coaches meeting before the race. Make sure you are comfortable with them and more importantly, make sure your athletes are comfortable with the new format.

Best of luck to all of you and see you in a week.

Regards

Roger Arsenault  
Race Chairman
